STAFF REPORTS:

CITY ADMINISTRATOR:

- 1. GENERAL FUND REVENUE OUTLOOK. Reported being asked by Mayor Grund to look at the revenues received year to date and evaluate revenues for the remaining year. In June 2015 revenues were \$428,285, and revenue was \$384,660 in June 2016. In 2015 the council approved an increase to transfers in both January and June of 2015 of \$50,000 in each of those months. Also, in June of 2015 we had the fire protection contracts paid for, which is about \$17,000 worth of revenue; these should be taken care of in July this year. June 2016 expenditures were a little high with some of the main expenditures being a final paycheck to Rick Shain, building maintenance on the Police Department and equipment repairs in the Street Department. Mayor Grund added that three payrolls were included in the June 2016 appropriations ordinances whereas only two payrolls were included in the June 2015 appropriations ordinances.
- 2. CITY ADMINISTRATOR VEHICLE. Included are the bids for a replacement vehicle for the 2002 Chevrolet Avalanche. Bids were presented from Boss Motors and Nordhus Motors, Marysville as well as from Shawnee Mission Ford and Ed Bozarth Motors which are state contracts. Bids include SUVs for the four-wheel drive capability, but also all-wheel drive cars. Among the SUVs, the 2017 Chevrolet Traverse from Ed Bozarth Motors had the lowest price at \$25,201, but the Traverse's gas mileage is a little low. The Ford Explorer from Shawnee Mission Ford, at \$26,816, would save the city money with its gas mileage over the life span of the vehicle. Funding will be from the Municipal Equipment Reserve Fund, with an increase in the transfer to the Municipal Equipment Reserve Fund in 2017 to cover this purchase. Council discussed the necessity for a four-wheel drive and costs. CA St. John pointed out the savings on the state contracts. Council consensus is to obtain bids for smaller vehicles, staying with local dealerships.
- **3. UPDATED PROJECTS LIST.** Mayor Grund asked CA St. John to provide an updated projects listing at the next regular meeting.

Dear Mayor & Council Members:

The Marysville Chamber of Commerce is making plans for the 3rd annual Pony Express 120 Gravel Dash. The event is scheduled for Saturday, September 10, 2016. The event is a 120 mile bike ride across gravel and dirt roads in Marshall County and beyond. We have riders registered from 6 different states and Canada. There is also a 66 mile course for those new to the gravel grinder world.

The ride begins at 7 a.m. and we would like to begin the race at 7th & Broadway, in front of the Bronze Pony Express Horse & Rider. We would request to block the following streets for the event:

- ▶ Broadway from 6th thru 8th Street and 8th Street from Broadway to Elm Street, from 4:30 a.m. to 7:15 a.m., so that riders can begin the race together. Riders that do not check-in Friday evening will arrive for check-in Saturday morning from 5:00 a.m. to 6:30 a.m. and we would like to keep the street free of vehicles until after the ride begins.
- ► The area shown on the attached map that is barricaded from 11:00 a.m. to 7:00 p.m. This will allow movement of riders, support crew, spectators, and entertainers to move freely so that they can participate in watching & cheering the riders in as they complete the ride, plus enjoy the entertainment and kid's activities being planned, etc.

We would also request the following of the City of Marysville:

- ▶ Move in picnic tables west of the Wagon Wheel as shown on the map.
- ▶ Move in 2 sets of bleachers (placement to follow).
- ▶ Unlock restrooms at Main Street building from 5:00 a.m. to 7:00 p.m.
- ▶ Use of the downtown Sound System from 5:00 a.m. to 7:00 p.m.
- ► Fly welcome flags and flags on overpasses Friday, Saturday & Sunday.
- ▶ Permission to use the Koester House Gardens for Rider Check-in, Supper, and the Rider's Meeting on Friday evening from 3:30 p.m. to 8:00 p.m., and to serve beer with the meal. This is for riders and family members only.
- ▶ Allow Wagon Wheel Café to serve food & canned beer directly west of their building from 2:00 p.m. to 6:00 p.m. and allow the consumption of beer in the area shaded in yellow on the map. The Wagon Wheel Café will complete all necessary paperwork with ABC and the City of Marysville.

Thank you for your help in making this event a success.

City Administrator's Report

8/4/2016 8/8/2016 Council Meeting

1. City Administrator Vehicle

Upon request from the council, I requested bids for smaller SUVs from local dealers. In your packet you will find four bids for vehicles from Boss Motors and Nordhus Motors. The two bids from Boss are for a 2WD Ford Escape and 4WD Ford Escape. The two bids from Nordhus are for a 2WD Equinox and an AWD Equinox.

Recommendation: 2017 Equinox AWD from Nordhus Motors
Pages 37-45

2. KLINK 2017 and 2018

For the KLINK 2017 project, I have a meeting scheduled with BG to go over some of the details; BG has been authorized to start some of the surveying process.

For 2018 the KLINK program is being combined with the Geometric Improvement program. They will not be accepting project applications until next Spring. Attached is a letter from KDOT.

Subject: Status of KLINK and Geometric Improvement (GI) Programs

RE: BLP Memo 16-03

We have received numerous inquiries concerning the status of the KLINK and Geometric Improvement (GI) Programs. KDOT has typically requested applications for these programs in the spring of each year, but that solicitation has not been made this year. The reason this has not happened is that we are in the process of reconfiguring the current programs into one improved program to provide greater flexibility and allow use of the funds on a wider range of projects. Because the improved program is not ready at this time, we will not be requesting applications this year. We anticipate announcing the details of the improved program and requesting applications in the spring of 2017.

Be assured that KDOT is very supportive of these popular programs for cities having city connecting links of the state highway system. We look forward to continuing to support local transportation needs through this improved program in the future.

If you have any questions or need assistance please call Tod Salfrank at 785-296-3861.

Sincerely,

Michael J. Stringer, P.E., Chief
